Dairymen's Outing.

The first outing of the Wheeling Dairymen's Association occurred yesterday afternoon and last night at Pleasant Valley Park, and it was highly successful, drawing a crowd that numbered over 2,000. The programme was carried out without a hitch of any description, and reflects credit upon the committee in charge. An interesting feature was the milking contest, which came off at 7 o'clock, and was very amusing. A cake walk later in the evening, in which several of the "crack" walkers of the city were entered, was most enjoyable. Many other contests were on the card, and pleased the crowd.

CUPID SMILED

And the Elopement of Harry Carpenter and Miss Hays

ENDS IN THE USUAL HAPPY WAY

The Pair Having Been United in Marriage Yesterday Afternoon at Woodfield After an Unsatisfactory Interview Had Been Had With the Stern Parent, who was Kind Enough to Withdraw Obstacles.

Yesterday morning the Intelligencer told exclusively of the elopement of Mr. Harry Carpenter and Miss May Hays, of Moundsville, and of their flight to Woodfield, where their attempt to secure a marriage license at an early hour yesterday morning was frustrated by the appeal of Mr. A. M. Hays, father of the girl, that it be at least postponed until he could go to Woodfield later in the morning and endeavor by a personal appeal to have his daughter come home again without marrying Carpenter.

The county clerk at Woodfield delayed granting the marriage license until the parent arrived from Moundsville at noon. Father and daughter then met, and the former endeavored to argue the daughter into a withdrawal from her matrimonial enterprise, but without success, and as she was beyond eighteen years of age, he was unable to prevent the issuance of the marriage license and the wedding which followed shortly after noon. It is said that the father parted from his daughter in anger and forbade any future relations with his family.

Mr. and Mrs. Carpenter, it is learned, will spend their honeymoon with relatives in Clarington. As to their future plans little is known, but it is said they will not return to Moundsville. In one quarter it was stated that they would locate in Woodfield.

Mr. Carpenter has a number of friends in Wheeling, who unite in saying that he is an estimable young man.

A Word and a Blow,

and the blow comes first. We've indiscriminately cut the price of about one hundred of our finest Men's Spring and Summer Suits. The cheapest of them are worth \$72.50, and many come out of our \$15 grades, but no matter which, help yourselves from the cream of the suit stock at

\$8.88. \$8.88. \$8.88. \$8.88.

It's a burning shame to bend them to any such price, for it doesn't much more than pay for the needle and thread work on them, but there's no sentiment in business. Duty is duty—and we live up to our policy not to permit one season to lap over into the next—no matter what it costs or what the consequences may be. If you want one of the best suits you ever wore for the price, then don't miss this sale.

We continue this week our special Trouser Sale. Hundreds sold last week, hundreds must be sold this week.
